

News Release

November 7, 2006

Greenville, South Carolina – Fred Fulmer has joined Warren and Associates Design-Build, LLC, as Director, Preconstruction Services. Greenville-based Warren and Associates Design-Build focuses exclusively on design-build project delivery for commercial, industrial and church-related facilities in the Carolinas.

Fulmer has more than 30 years of experience in the construction industry, primarily in the areas of estimating and preconstruction services. He comes to Warren and Associates Design-Build after a 28-year career with Suitt Construction Company (now the BE&K Building Group).

As Director, Preconstruction Services for Warren and Associates Design-Build, Fulmer is responsible for a range of activities, including conceptual budgets, design development budgets, detail estimates, scheduling, value engineering, design management, trade bid packaging and purchasing.

Fulmer is a Licensed General Contractor in South Carolina and Florida, and is a member of the Design-Build Institute of America (DBIA). He is a 1977 graduate of Clemson University where he earned a B.S. degree in Building Construction.

About Warren and Associates Design-Build, LLC

Donald G. Warren, a 30-year veteran of the construction industry, established Greenville (SC)-based Warren and Associates Design-Build, LLC, in 2006. Prior to starting Warren and Associates Design-Build, he served as President and Chief Executive Officer of Suitt Construction Company, Inc. Warren is one of only two practicing Designated Design-Build Professionals™ in North and South Carolina. A founding member of the Design-Build Institute of America (DBIA), he has been actively involved with that national organization since its inception in 1993. The Design-Build method of project delivery embraces architecture/engineering and construction services under a single contract, thereby re-integrating the roles of designer and constructor.
